

JET SKI RENTAL INSURANCE: QUESTIONS FOR YOUR BROKER

DRAFT · PENDING REVIEW. The covers listed depend on the country and the insurer and have not been verified by a person. Do not publish until this notice is removed.

Take this to a broker who insures watersports. Fill in section 1 before the meeting, tick each cover you discussed, and use the last table to compare quotes on the same basis.

1 · YOUR OPERATION

Activities

Free rental, guided rides

Fleet

Number of jet skis and other craft

Sites and season

Expected customers per season

☐ **Renter or passenger injury: often excluded or limited in standard policies, so ask explicitly.**

Included? · limit · deductible · exclusions

☐ **Hull or physical damage for each jet ski, including theft and damage while moored or on a trailer.**

Included? · limit · deductible · exclusions

☐ **Employer's liability or workers' compensation for instructors and desk staff.**

Included? · limit · deductible · exclusions

☐ **Premises, equipment and business interruption if a season is cut short.**

Included? · limit · deductible · exclusions

3 · WHAT THE INSURER WILL ASK YOU

How you check renters' age and any licence or boater card required.

Your answer and where the record is kept

What the safety briefing covers and whether it is recorded.

Your answer and where the record is kept

The riding zone, how it is marked and who supervises it from the shore or a rescue boat.

Your answer and where the record is kept

Whether every renter signs a rental agreement and a waiver, and where those are stored.

Your answer and where the record is kept

Maintenance logs for each craft and your incident records.

Your answer and where the record is kept

4 · COMPARE QUOTES

	Quote A	Quote B	Quote C
Insurer / broker			
Premium per year			
Liability limit per incident			
Renter / participant injury covered?			
Hull cover per craft
