

KAYAK RENTAL INSURANCE: QUESTIONS FOR YOUR BROKER

DRAFT · PENDING REVIEW. The covers listed depend on the country and the insurer and have not been verified by a person. Do not publish until this notice is removed.

Take this to a broker who insures watersports. Fill in section 1 before the meeting, tick each cover you discussed, and use the last table to compare quotes on the same basis.

1 · YOUR OPERATION

Activities

Kayak / paddle board rental, guided tours

Fleet

Number of kayaks and other craft

Sites and season

Expected customers per season

2 · COVERS TO ASK ABOUT

☐ General or third-party liability for injury and damage to others.

Included? · limit · deductible · exclusions

☐ Participant injury on rentals and on guided tours, which insurers often treat differently.

Included? · limit · deductible · exclusions

☐ Professional liability for guides, if you run tours.

Included? · limit · deductible · exclusions

☐ Equipment cover for the fleet, racks and storage against theft and storm damage.

Included? · limit · deductible · exclusions

☐ Employer's liability or workers' compensation for staff and guides.

Included? · limit · deductible · exclusions

3 · WHAT THE INSURER WILL ASK YOU

Whether you rent only, guide tours, or both, and the guide-to-participant ratio on tours.

Your answer and where the record is kept

Guide certifications and the training of stand staff.

Your answer and where the record is kept

Life jacket policy and the briefing every renter receives.

Your answer and where the record is kept

The paddling zone, the wind or swell limit for closing, and how you check returns.

Your answer and where the record is kept

Whether every participant signs a waiver, including guardians for minors, and where it is stored.

Your answer and where the record is kept

4 · COMPARE QUOTES

	Quote A	Quote B	Quote C
Insurer / broker			
Premium per year			
Liability limit per incident			
Renter / participant injury covered?			
Paddle boards and guided tours included?			
Deductible per claim			
Main exclusions			
Seasonal or suspendable?
